Re: River Flush USA

Dear Leaders:

I so appreciate how states are working with one other to see the glory of the Lord invade our nation in a new way. The "**River Flush USA**" is a great example of this. James Nesbit is joining with Jim and Faith Chosa to pray along the major river systems in the heart of our nation. Many of you are already involved with this, but I wanted to share this information with all of you so that you could be joining in prayer for this initiative which ***begins on April 23 and culminates on May 5.***

The River Flush will incorporate 15 teams praying along 19 different rivers that flow through the following 25 states: Arkansas, Colorado, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, New Mexico, New York, North Dakota, Ohio, Oklahoma, Pennsylvania, South Dakota, Tennessee, Texas, West Virginia, Wisconsin. (Then 6 additional states have tributaries of the Mississippi River System and thus are indirectly affected: Alabama, Georgia, Maryland, North Carolina, Virginia, Wyoming). In addition to the onsite prayer teams, many intercessors will also be praying from their homes and you are encouraged to join with them.

As James shares,

"The goal of this mission is to repent of those things that have defiled this circulatory system in the heart of America. This defilement has caused these waterway systems to become a vast network and communications base for the 'prince of the power of the air' and for the second heaven principalities to legally link into the earth. These teams will bring repentance for the atrocities and defilements of the past as well as uproot the work the Buddhist have been doing as of late.

Our mission is to dismantle this demonic power grid and declare, decree, and set in place ***a new grid for prophetic fire*** to flow throughout the circulatory system in heart of America. We will also prepare the Way for the release of a 'NEW SOUND' and new rhythm in the heart of America on 07 07 07 in Nashville, Tennessee." Further details are listed below.

On **Saturday, May 5th**, the River Teams complete the Journey together at Venice, Louisiana at the mouth of the Mississippi River. At 7:00 PM (EDT), 6:00 PM (CDT), and 5:00 PM (MDT), they will release a "ROAR" of worship over this circulatory system. **James is specifically requesting that each of you support this culminating event by worshiping at the rivers in your region and "LIGHT THE PASSAGE" with them at this set time.**

Blessings,
Chuck D. Pierce

River Flush USA

There is a river whose streams make glad the city of God, the holy place where the Most High dwells. 5 God is within her, she will not fall; God will help her at break of day. 6 Nations are in uproar, kingdoms fall; he lifts his voice, the earth melts. 7 The LORD Almighty is with us; the God of Jacob is our fortress. Ps 46:4-7

A. What are we doing?

1. Praying in concert along the major river systems in the heart of the nation
2. There will be teams on the Mississippi, Missouri, Ohio, Arkansas, Red (the boundary of Texas and Oklahoma), as well as at least 7 tributaries - the Allegheny, Cumberland, Wabash, Wisconsin, Illinois, Meramec, and Atchafalaya. An associated team will also be praying on the Tennessee in concert with us.
3. ***We will be traveling on the journey from April 23-May 5.*** Prayer teams along the individual rivers are synchronized to meet at the confluences of rivers and then proceed together. ***All teams will assemble near the mouth of the Mississippi in Venice Louisiana on Saturday May 5.***
4. Intercessors from around the country but especially along the river passages will be ***"Lighting the Passage" with worship the evening of May 5, 7 PM (Eastern Daylight Time)***

B. Why are we doing this?

1. The most important reason for the journey is simply obedience to the Lord. During our preparation for a preceding prayer journey around the Great Lakes, he showed the importance of a corresponding journey down the length of the Missouri and Mississippi.
2. We understand that each river we are journeying has already been prayed for, perhaps numerous times. Our journey's prayers will build on what has been done before, and we expect subsequent prayers over the same rivers to continue to build. There is no limit to God's blessings.
3. One of the primary purposes of this journey is to break the stronghold of water spirits associated with bodies of water which affect the people that live in the land, bringing pride, addiction, fleshly pursuits, manipulation and control, attraction to the occult, and a fascination with death and darkness. In essence, we are doing deliverance ministry to our nation. We will be publishing at a later point the Biblical foundation for understanding and addressing water spirits.
4. We have seen prophetically that the Spirit of Baal, a demonic structure that has led our land into pursuit of the flesh, has in fact been drawing life from our nation. In the same way that individuals develop heart disease through fleshly addiction, our nation is being robbed of life. ***Our prayer journey through the circulatory system around the heart of our nation is intended to cleanse the arteries and bring new life. We are preparing the way for the 7/7/07 conference in Nashville that is intended to address the same Baal spirit.***
5. The Lord has shown us that every prophetic declaration and intercession along our river pathway will be spiritual dynamite that will explode cracks in the power grid of the enemy over our land.
6. As our teams from around the country merge where the rivers converge, we are making a powerful prophetic declaration of unity in the Body of Christ.
7. We are erecting altars of worship that are also beacons of light. As these are connected through our journey, the center of our nation will become flooded with light.

C. Who is doing this?

1. We are under the authority, guidance, and sponsorship of the United States Global Apostolic Prayer Network.
2. Our guiding apostles are Jim and Faith Chosa of Day-Chief Ministries, Yellowtail, Montana, 406-666-9183, jim@daychief.org
3. The journey leader is James Nesbit of Prepare the Way Ministries International, New Baden Illinois, 314-440-8959, nesb7@aol.com
4. Through Jim Chosa and other Native leaders we will gain authority as their representatives in the territories of the land.
5. River team leaders include GAPN state coordinators from Missouri and Ohio and teams are comprised from many different states.
6. Each river prayer team consists of an "away team" traveling the river by car and one or more "base camp intercessory teams".
7. State intercessors are supporting the journey from every state touched by the rivers on the journey as well as intercessors from around the nation and the world.
8. The River Flush USA Administrator is Richard Tittle, 973-598-5938, pneuma9@optonline.net.

D. What are we doing on the journey?

1. We will be praying at specific locations revealed to us by research and through revelation by the Holy Spirit.
2. In particular, we are looking for places of iniquity due to false authority, false worship, bloodshed, broken covenants, and immorality.
3. We will raise up an altar of worship to our God.
4. We will repent for these wrongs and receive the forgiveness of the Lord for the sins committed in the land.
5. We will prophetically uproot every kind of iniquity.
6. We will bring the reconciliation of God through communion.
7. We will sever the connection of negative spiritual forces and command their departure down river and out of the body of this nation.
8. We will purify the water and the land.
9. We will prophetically declare the word of the Lord through scripture and revelatory expression.
10. We will bless the land and the people of the land.
11. We will unite our prayers to all the prayers that have been uttered before us.
12. We will do whatever the Lord shows us to do.

E. How can you support the journey?

1. Pray for the journey, the leaders, and every member of the team.
2. Participate in a river journey yourself. If you believe that the Lord may be calling you to pray for a river, first talk to your pastor or other spiritual authority, then contact your GAPN state coordinator. Don't be a lone ranger - do this kind of work only under authority and protection.
3. Join with the team for intercession when the team passes near your location. The journey schedule by river will be published on the Prepare the Way Ministries website - www.preparethewaymin.com - prior to the journey
4. Support the journey financially. If you want to support the team for one of the rivers mentioned above, talk to the state coordinator for the team involved or contact the River Flush USA administrator.
